

Hello!

The USA Swimming Safe Sport staff is hosting weekly Zoom trainings to help clubs achieve the training requirements of the Safe Sport Club Recognition program.

The sessions for both parents and athletes include a one-hour training. Attendance will be taken and the USA Swimming staff will manually update the Club Portal so that clubs receive credit towards recognition. There will also be weekly training available for coaches to learn more about the Safe Sport Club Recognition program and how to share Safe Sport information with their athletes, parents, staff and other non-athlete members. The coach training is not a requirement of the recognition program but is a way to earn additional optional points.

There is no registration required at this time. Attendees need only join the meeting using the links provided below and come willing to participate and learn.

For more information on the ways to complete the training requirement of Safe Sport Club Recognition, please reference this document: [Training Opportunities Resource](#).

We ask that you also distribute this document as well as the information on the Zoom training opportunities to clubs in your LSC.

Reminder: All trainings begin again at 3:00 p.m. EST.
