

LESI Athletes' Executive Committee

Who are we?

The LESI Athletes' Executive Committee (AEC) consists of the elected Junior, Senior and Athlete At-Large representatives with an additional 4-8 athletes.

How to join the AEC?

The AEC is currently looking for any athletes that are eager to make change in LE Swimming and are able to attend monthly conference calls. As a member of the AEC you must be willing to serve 2 years on the committee. Please contact Paige McCormick, Zach Toothman, or Riley McNichols with any questions, comments, or concerns.

What do we do?

The AEC holds monthly public meetings (via phone call) to discuss and brainstorm new ideas to make Lake Erie Swimming more coherent and enjoyable for swimmers of all ages. We currently work with Lake Erie's Board of Directors to ensure each athlete's voice is heard and respected. In addition, each winter and spring we are responsible for service projects around local swim meets.
