The Mutual of Omaha BreakOut! Swim Clinic visits more than 70 cities a year and is a unique experience to inspire and motivate a new generation of swim stars. As an official sponsor of USA Swimming, Mutual of Omaha actively supports the sport on all levels, from local clubs across the country to the National Team.

The event is a three-hour stroke technique clinic. Swimmers will hear inspiring messages from Nathan Adrian and Ariana Kukors. They will also hit the water with the Olympians for in-water demonstration and instruction on swim strokes and techniques. Some participants may even have a chance to test their strokes in a race against these champions. At the close of the event, the swimming champions will be available for autographs and photos. All participants will receive a BreakOut! t-shirt, poster, DVD, and other souvenirs.
