

Operational Risk Meeting – Tuesday, April 14, 2021

Attendance: Stacey Aroney, Branden Burns, Nathan Phillips, Sarah Tobin

Absent: Heidi Gullett, Kirtis Huelsman, Josh Toothman

Committee Manual in progress

- Make sure info regarding lifeguards is included.
- The current manual is mostly related to running meets, what other items should be included in the OR manual?
- Will work to produce an Operational Risk Manual

LEAP

- Communication – OR has ongoing educational pieces.
- Programming – OR could increase programming.
 - Currently offer safety training for swim coaches
 - Could offer CPR classes for coaches and athletes – either for certification or just as a practice/review; if offering certification – can do the school certs which are \$5.00.
 - Could offer lifeguarding class for certification for athletes working around practice/meet schedules.
 - Look into Swim Elise whose goals is get athletes certified as lifeguards.
 - LTS programs – partnership with USA teams
 - Meet Safety Director workshop – in person when able or something online/videos to promote better MSD.
 - Maybe Heidi Gullett, Sonja Haywood, and/or Heather Jimenez would assist with this.
 - Doing another video with Heidi – questions/answers regarding COVID

Beginning May 2

- teams can go back to sessions being 4 hours.
- outside LSC teams can participate in LE meets
- reintroduce relays.
- still need to maintain social distancing.
- still need to follow all state, local guidelines
- still need to follow capacity limits.

OR/Safe Sport/DEI should have a joint meeting in the future.

Look into resources for athletes/coaches so they know how to handle situations that may arise.

Meeting adjourned at 8:12 pm
