

Safe Sport Club Recognition Training Opportunities

USA Swimming encourages member clubs to utilize this time away from practice and competition to complete the requirements of the USA Swimming Safe Sport Club Recognition program.

The Safe Sport Club Recognition program allows a USA Swimming member club to demonstrate its commitment to creating a healthy and positive environment free from abuse for all its members through the development and implementation of club governance measures, Safe Sport policies and reporting mechanisms, Safe Sport best practices and training to athletes and parents.

This resource is intended to provide guidance on the various remote Safe Sport Club Recognition training options available to athletes and parents while maintaining social distance. For additional information on the Safe Sport Club Recognition requirements, please visit www.usaswimming.org/ssrp.

Virtual Team Meeting

USA Swimming member clubs are seeking unique opportunities to remain connected with athletes and parents. One unique way to remain connected and complete the training component of Safe Sport Club Recognition is to host a virtual training.

1. Schedule a virtual meeting for either parents or athletes to attend.
2. Access the USA Swimming LEARN platform via www.usaswimming.org/learn.
 - Enter your last name, first name and date of birth into the search parameters boxes. Click "Search"

- Click “Continue” next to your name
 - Click “Go to Learn”
 - Select “Courses” at the top
 - For a parent training, select Parent’s Guide to Misconduct in Sport
 - For an athlete training, select Safe Sport for Athletes
3. Conduct a virtual meeting with athletes or parents by sharing your screen and viewing the training course together. When you share your screen, ensure that you also share the sound from your device so those watching can hear the training audio.
 4. Record attendance. A simple way to do this is to have participants send their name to the training host using a chat function.
 5. Send the attendance record to ssrp@usaswimming.org. USA Swimming staff will manually update the Club Portal.

Reminder: A virtual meeting with minor athletes is an electronic communication and the Minor Athlete Abuse Prevention Policy requirements apply:

- If you are meeting with only one athlete, that athlete’s guardian/parent must also be included.
- If you are meeting with multiple athletes, another adult must also be included.
- The meeting must be held between the hours of 8:00 a.m. – 8:00 p.m.

[Note: USA Swimming secured Zoom ‘Enterprise’ licenses for USA Swimming clubs for a 90-day period. Access requests should be sent to Paula D’Amico at pdamico@usaswimming.org.
