

LSC Change in Observation of Meets

USA Swimming approved Rule 8 at their House of Delegates Meeting on September 23, 2023. Rule 8 identifies the LSC as the approving body for observed meets (typically HS meets) with the caveat that:

- **4 officials are required at an observed meet** - Minimum of one referee, one starter and two stroke and turn judges
- **Observed meets should be posted on the LSC website**

Meet hosts seeking observed approval provide the same documents as in the past to Chuck Kunsman (chuck163@yahoo.com). Chuck no longer has to forward the paperwork to USA Swimming.

A chart of observed meets will appear on the website. Dates may not be initially listed as meet hosts of observed meets determine the date and submit their appropriate documents to Chuck.
